Are these an	imals importe	d from Canada	a or Mexico:			
Yes No	If Yes, specify:					

- Nebraska State Patrol will be reaching out to Nebraska Department of Agriculture Regional State Veterinarians to assist in assessing needs and coordinating resources.
- Carriers, dispatchers, haulers and owners should be aware that preferred locations for escort beyond a 30 minute time frame are unlikely to be viable options.
- It is understood that from any designated location the livestock owner, carrier, or hauler is responsible for coordinating proper transport to a final destination and financially responsible for this cost as well.
